

THE BALKANS - ALBANIA

In Romans 15:19, Apostle Paul writes, "So from Jerusalem all the way around Illyricum, I have fully proclaimed the Gospel of Christ". Also in 2 Timothy 4:10, Mentions Titus traveling to Dalmatia, a region that overlapped with parts of modern Albania, Croatia, and Montenegro.

The Lord has opened new doors for ministry in this region, to encourage and build up the body of Christ. I praise Him for divine connections with a dear friend Pastor Mentor. We have a kindred spirit and heart to serve Lord together. Through a bible academy we are introducing new lessons like; Prayer, The Holy Spirit and Revival for over forty students. These will carry the Gospel to the remote parts of the Balkans. What a great honour to equip and empower leader for Ministry.

WOMEN'S CONFERENCE IN ALBANIA

The Albanians were under the communist rule until 1992, this had a profound effect on their lives both emotionally and psychologically. Though they were liberated but still they have the repercussions of that awful regime.

Over 150 women had gathered for a weekend of woman's conference in Pogradec from different parts of Albania and the Balkans region. We had amazing time of worship and ministry of the Word. We could witness the Holy Spirit of God doing great work in their lives with deep spiritual healings. However, there is a great work to be done in the lives of the church in Albania.

Please pray with me as I minister in Albania and across the Balkans with the life changing gospel of Christ.

It was my privilege to set foot on the Balkans. Behind me, is Macedonia where the great Apostle had the vision and the call of the Holy Spirit to go and help the Macedonians in Acts 16:9-10. I pray that we may also receive our personal Macedonian call and vision of the Holy Spirit to do and go where He may lead us to be a source of encouragement and blessing in building and edifying the body of Christ.
