PORTUGAL

ALGARVE – FARO DISTRICT

I praise God for new doors of ministry which are now opening for me and the Connect Global Ministries. This had been my prayer and desire for a very long time, to reach the Continent of Europe with a pure and an unadulterated, life changing message of Christ. The Lord is confirming His calling through Word of Prophecy which was given to me by dear men and women of God like Reverend Preston Haddock of Living Word of Faith Fellowship in Panama City, Florida. I thank the Lord for His anointing, empowering and the enabling of the Holy Spirit to go in His strength and in His power.

This past week I was in Portugal, in the Faro district, in the region of Algarve, right at the bottom of Europe. I was able to minister the gospel of Christ and encourage and edify the body of Christ. In each meeting the presence of the Lord was mighty as the saints worshipped the Lord and sat under the ministry of the Word. I thank the Lord that the church was uplifted and edified during our ministry. Despite Europe being in such a deplorable state spiritually, there are a few churches like the church of Philadelphia in Revelation which are still standing strong. Upholding the purity of the Word of God and are a shield against the attack of the devil in a place of prayer and intercession for Europe. It was an absolute privilege to pour into the lives of these dear ones, who are our fellow soldiers and comrades labouring for the Lord.

Please stand with me in prayer as we continue to reach Europe with the Gospel of Christ. I am humbly asking for His continued anointing, protection and provision as we go with the gospel. What an honour it is to be called of the Master in these last days with a heavenly calling. Please pray that the Lord will give us a fresh vision and a fresh fire burning in our hearts as we are the living epistles of Christ in these last days.
